Mining Screen

Product overview

1. Exciter and damping spring of lump ore screen are located within the screen box.
2. Vibrating part is completely contained inside the sieve, and the outside sieve body does not vibrate.
4. Exciter directly driven sieve plate vibration, and the sieve body does not participate in vibration. Amplitude: 15mm-25mm.

Features

1. Vibration motor install in the sieve outside, is conducive to the maintenance of motor replacement.
2. Using single-layer double-sided self-cleaning cantilever rod, effectively solve the plugging phenomenon, improve the screening efficiency.
3. Exciter is through the two ends of the two drive shaft connected together structure, this structure reduces the weight of the bearing chamber.
4. Exciter inside the package in the sieve box to reduce noise and increase personal safety.
5. Exciter with thin oil lubrication, a oiling, maintenance-free process, an effective solution to the grease lubrication high temperature of the drawbacks of poor lubrication.

Applications

1. Suitable for blast furnace trough, lime kiln, sand aggregate material screening of small particles.
2. Widely used in wet tide, high powder content of the screening material.
3. Ironworks, coke plants, steel plants and other industries.

HENAN WINNER VIBRATING EQUIPMENT CO., LTD
Enterprise Profile

Since 1954, Winner Group started the factory manufacturing Vibrating Feeder, Jaw Crusher, Impact Crusher, Cone Crusher, Vibrating Screen, Belt Conveyor, Construction Demolition Waste Recycling, Municipal Solid Waste Recycling, Sand & Stone Production Line and so on, with a wide application in Coal industry, Steel, Metallurgy, Mining, Construction, Chemical industry, food industry etc.

Located in Xinxiang city, China, 1 hour by car to the airport, with employee more than 1000, among whom 380 R&D engineers, a provincial research center, owning 133 invention patents and utility patents, ISO and CE criteria, top brand in domestic market and more than 30 countries exporting cases, this is how Winner Group guarantee the product quality and technical services.

With lots of government quality awards and technique awards, Winner serves the customers including China Bao Steel, China National Coal Group, Shenhua Group and Exports to USA, France, Brazil, India and other countries. Winner Group will always be there to provide you customized crushing and sorting solutions.
